# WB Mfg

**WeCan.**  
*Design. BUILD. Deliver*

# have questions? need information?

**Call us:**  
**800.242.2303**

Customer Service is available 7:30 am - 4:30 pm CST Monday through Friday. We are available to assist you during the planning stage, during the installation and after the clean-up.

**Visit our website**  
**wbmfg.com**

You'll find product specifications and brochures, images and installation gallery, products for specific vertical and horizontal applications and more on our updated website.

**Submit a design request,  
quote request, or purchase order:**  
**info@wibenchmark.com**

Our Design, Engineering, Project Management and Estimating Teams can assist with room layout and project elevation drawings.

**We can design it.** Our in-house design team is ready to create innovative, quality room solutions tailored to your project needs. Choose from our diverse furniture and cabinet offerings, or let our design experts customize products for your unique space.

**We can build it.** In Thorp, WI, our team of 300+ skilled workforce professionals can craft your vision into reality. Using quality materials and processes, we guarantee affordability, durability, and products that stand the test of time – all backed by a comprehensive warranty.

**We can deliver it.** We go beyond delivering your shipment on time. We're about delivering the best – the best product, the best customer service and the best solutions for a first-class experience. Whether you're looking to transform a classroom, office, healthcare space or industrial environment, we have you covered.

At WB Manufacturing ... **We Can** bring your ideas to life. Let's collaborate to turn your space into a beautiful and functional environment!

## PURCHASE ORDER REQUIREMENTS

*We are requesting the following information on every incoming purchase order so that we may speed up our order entry process and avoid delays or misinterpretations on your order.*

### PURCHASE ORDER #

### CONTACT NAME, EMAIL AND PHONE NUMBER

- Answers questions regarding purchase order and sending acknowledgments

### QUOTE # (provided by WB Manufacturing on all quotes)

### ATTACH DRAWINGS (if needed)

- DXF file preferred

### DIMENSIONS (width x length x thickness)

### DETAILED DESCRIPTION

- Product Model # and Name
- Edge Type and/or Color
  - 3mm or Lotz Armor Edge™
  - WB Manufacturing will select standard unless otherwise specified
- Leg Type: include two or three digit leg type extension, if noted as such in pricelist
- Specify Core Material and Edge Profile (if applicable)

### SPECIAL FEES

- ie: Custom banding fee or acknowledgement of freight estimate.
- If these are not on your PO, WB will need to reach out for pricing approval, slowing down your order entering production.

### STANDARD HPL OR TFL LAMINATE COLORS

- All HPL or TFL laminate colors must include:
  - vendor name
  - laminate color name
  - color
  - finish

### QUANTITY PER LINE ITEM

### PRICE PER LINE ITEM

### SHIP DATE

### SHIP TO ADDRESS

### DELIVERY POINT OF CONTACT (POC) NAME, AND NUMBER

- We give this to our carrier so they have someone to reach out to in the event of difficulty or delay.

### IS A DELIVERY APPT REQUIRED?

### FREIGHT AND TERMS

- Indicate collect or 3rd party with bill to address
- WB will select Prepaid & Add Terms and Freight Carrier
- You may specify a preferred carrier and we can avoid certain carriers upon request but our freight estimates govern which carrier we use.

### SPECIAL PACKAGING REQUIREMENTS

### SPECIAL SERVICES NEEDED

- Examples: lift gate, inside delivery, etc.

### Examples:

#### ELS7601-EJAG4-E56-CA

ELO® Adapt XL Desk with black beveled Lotz Armor Edge™ with smooth silver universal adjustable legs, Gumball laminate and casters

#### LOB9070-ADJ09-BPH

24 x 54 x 1.75 LOBO Table with Hardwood top, black adjustable legs/frame and backpack hooks

#### CLW7253-363636-AC-A41-B52/T

Urban Edge XL Collaborative Workstation with 36" height, casters, black beveled Lotz Armor Edge™ top with Ocean laminate and Crema TFL base

#### SS5000-3660-5AC-D12/T

36 x 60 x 23 Transporter with Sleeping In TFL and matching edge banding

## Important Information

- Corner gusset kit: Recommended for all LOBO tables with casters, if table size exceeds 30" x 72" or the height for intended use is greater than 31". Kits are not available on any shaped tables excluding rounds.
- Any use of an epoxy top utilized in a mobile application (LOBO/TORO) will void any/all implied warranties on the top. This is due to exposing edges of an epoxy top to impacts will likely result in damages to the top.

### Disclaimer Guide

<sup>5</sup>n/a on epoxy top; \*n/a on fixed legs  
<sup>^</sup>See Accs. in back of catalog for caster color options.

**Disclaimer Guide**

<sup>5</sup>n/a on epoxy top; <sup>\*</sup>n/a on Fixed legs  
<sup>^</sup>See Accs. in back of catalog for caster color options.

**Important Information**

- Corner gusset kit: Recommended for all TORO tables with casters, if table size exceeds 30" x 72" or the height for intended use is greater than 31". Kits are not available on any shaped tables excluding rounds.
- Any use of an epoxy top utilized in a mobile application (LOBO/TORO) will void any/all implied warranties on the top. This is due to exposing edges of an epoxy top to impacts will likely result in damages to the top.

\*Drilling and attachment done onsite by others.

### Important Information

- Pedestals can be installed up to 12" from end of bench. The span between pedestals cannot exceed 48".
- Benches 20" and wider require 1 pair of round pedestals every 48".
- It is recommended to attach pedestals to the floor, hardware to attach pedestals to floor is not included.
- Hardwood locker benches are not recommended for areas with high moisture content. Failure to properly protect benches from moisture negates the product warranty.

#### Important Information

- Pedestals can be installed up to 12" from end of bench. The span between pedestals cannot exceed 48".
- Benches 20" and wider require 1 pair of round pedestals every 48".
- It is recommended to attach pedestals to the floor, hardware to attach pedestals to floor is not included.
- Hardwood locker benches are not recommended for areas with high moisture content. Failure to properly protect benches from moisture negates the product warranty.

## Bookcase Quantity Guide

When determining how many books a bookcase can hold, there are multiple factors to consider:

- # of shelves per bookcase
- Width of each book
- What type of bookcase? ie: standard or curved, single or double sided
- Dimensions

### Example of a standard 36"W x 48"H bookcase

- 48"H bookcases include three levels for storing books  
*One base area and two adjustable shelves*
- For this example we will use a 1" width for each book
- Standard single sided bookcase
- Storage space for books is 34"  
*Bookcase sides and shelf clips account for 2"*

**36"W bookcases with 3 levels, can hold approx. 102 books measuring 1"W.**

### Estimates for a standard 36"W x 48"H bookcase w/1" books

Volume type	Volumes Per Linear Ft.	Volumes Per Row	Volumes Total	Qty. of 36" bookcases for 5,000 Volumes
Juvenile	10 to 12	28 to 34	84 to 102	49 to 69
Fiction/Non-Fiction/Economics	8	22	66	75
General Lit./History/Art/Microfilm	7	19	57	87
Reference/Technical & Scientific	6	17	51	98
Law/Medical/Bound & Public Documents	5	14	42	119
DVDs	18	51	153	32
CD-Roms	27	76	228	22

### Estimates for a curved bookcase w/1" books

Model #	Total shelves	Levels	Qty. of 1" books
LCS1160	1	2	54
LCS1170	2	3	81
LCS1245	2	2	108
LCS1255	4	3	162
LCD1160*	2	2	110
LCD1170*	4	3	165
LCD1245*	4	2	176
LCD1255*	8	3	264

\*Indicates Double-Sided Unit

# Product Materials

Multiple sheets of craft paper saturated w/resin

## High Pressure Laminate (HPL)

- HPL is manufactured in a flat press by combining decorative papers saturated in melamine resin with phenolic-impregnated kraft layers compressed at a high temperature to create a high impact tolerance.
- HPL is bonded to a substrate such as particleboard or medium-density fiberboard (MDF). WB Mfg. uses a phenolic backer applied to the other side to create a balanced construction.
- The thickness of the laminate is determined by the number of kraft layers used.
- The laminating process combines the durability of melamine resins with the aesthetics of decorative papers creating a surfacing material that has been the standard for many years.
- HPL is a low-maintenance, durable solution that is resistant to heat, moisture, stain and abrasion.
- HPL is designed for horizontal, vertical or postforming applications.

## Thermal Fused Laminate (TFL)

- TFL is also known as Low Pressure Laminate or LPL.
- Melamine resin-impregnated decorative paper thermally fused to a substrate such as particleboard or medium-density fiberboard (MDF).
- The chemical reaction during the thermal process makes it impossible to peel off.
- TFL is resistant to scuffs, stains, moisture, light and heat, but it performs slightly below HPL when tested.
- TFL can be used for most applications where high-pressure laminates would be specified, including horizontal surfaces such as desktop and office work surfaces.

## MDF Core

- Holding power of 300 pounds per fastener.
- Made from fine wood fiber and less prone to tearing and chipping.
- Uniform product without knots or blemishes and easily takes paint and other finishes, making it an ideal substrate for the application of our Lotz Armor Edge™.
- Does not expand and contract according to weather conditions like wood.

## Particle Board Core

- Holding power of 80-120 pounds.
- Lightweight product making it easy to move.
- Made by hot-pressing sawdust with resin adhesives, meaning environmentally friendly characteristics as it's made with scraps and waste.
- Available in a variety of grades, thicknesses, and densities.

## Product Line Availability

HPL: High Pressure Laminate  
 TFL: Thermal Fused Laminate  
 MDF: Medium-Density Fiberboard Core  
 PC: Particle Board Core.

## WB's Focus is to Exceed in Green Initiatives

**WB Manufacturing, a manufacturer of custom work surfaces, tables, furniture and casework, has adopted a green operations initiative that values environmentally responsible practices in manufacturing and operations of its facility.**

WB Manufacturing incorporated a broad range program affecting everything from materials that go into its products to its standards on the manufacturing floor. "The process to go green involved reviewing all areas of the business," said Steve Burgess, President.

Energy consumption is a major expense for the organization, but WB Manufacturing found that with a few simple changes from energy efficient lights on the 200,000 square foot plant to motion sensor light switches in the office area resulted in reduced usage by 54% and significantly lower energy bills. WB Manufacturing also voluntarily participates in the peak load lighting conservation program with the local utility company.

Recycling has always been a standard business practice from using recycled paper in the office equipment and recycled corrugated cardboard for packaging to recycling aluminum cans and plastics. WB Manufacturing even recycles the salvage particle board and MDF scraps using a dedicated shredder to create small bedding particles for local farms.

As part of our green manufacturing focus, WB Manufacturing routinely acquires products like particle board and medium density fiberboard (MDF) with No Added Formaldehyde (NAF), Ultra Low-Emitting Formaldehyde (ULEF) in addition to standard industrial grade particle board, medium and thin density fiberboard and plywood used in our products that is both California Air Resource Board (CARB) Phase 2 and Environmental Protection Agency (EPA) TSCA Title VI compliant.

WB Manufacturing is constantly evaluating it's suppliers to ensure that their products are constructed using recycled wood fiber, as well as compliance to these regulations required for our industry and services provided.

CARB established emission standards for wood products made with urea-formaldehyde resin products being sold in the State of California. The stated goals of CARB include attaining and maintaining healthy air quality; protecting the public from exposure to toxic air contaminants; and providing innovative approaches for complying with air pollution rules and regulations.

In selecting particle board and MDF, WB Manufacturing selects Eco-Certified Composites (ECC). In addition to the adherence to CARB regulations, all composite wood products supplied by WB Manufacturing are also compliant to the EPA TSCA Title VI regulations that became effective as of June 1st, 2018, as well as the Canadian Formaldehyde Emissions Regulations (CANFER) as of January 7th, 2023.

WB Manufacturing supplies labeled products in accordance to the California Safe Drinking Water and Toxic Act of 1986 (a.k.a. - Proposition 65 Act). This Act requires all businesses to provide warnings to users in California about exposures to chemicals that cause cancer, birth defects or other reproductive harm.

WB Manufacturing continues to focus its operation on complying with manufacturing standards that puts the health and welfare of the planet and our people first. Our focus is to exceed in green initiatives and standards.

**Visit [wibenchmfg.com](http://wibenchmfg.com) to learn more about our involvement in the following programs:**

- **Eco-Certified Composite Standard**
- **California Air Resource Board**

# WB Manufacturing Warranty

## WB Manufacturing's Promise

WB Manufacturing warrants that its products shall be free of substantial defects in original material and workmanship based on specifications from the date of delivery to the extent detailed herein.

**WB Manufacturing promises to repair or replace any WB Manufacturing brand product or component that is defective in material or workmanship under normal use for as long as the End User owns it.**

This is the sole and exclusive remedy for WB Manufacturing products to be found defective. This warranty applies to WB Manufacturing products from the date of delivery to the End User and is non-transferable but is subject to limitations, exclusions or other provisions detailed below. End User implies the final purchasing entity acquiring the product from a WB Manufacturing Authorized Dealer for the purchaser's use and not for resale, remarketing or distribution.

### **WB Manufacturing Limited Lifetime Warranty Terms**

#### **Limited Lifetime Warranty**

WB Manufacturing warrants that its laminate furniture, Collaborative Workstations, Media Center Cabinets, CaseworkUSA® Storage, REplay® Laminate Lockers & Cubbies, REplay® Storage Cabinets, Rhapsody® Music Storage, Sconnie Chairs, Elevate Stools, World Famous Lockers and its steel frame products, specifically our desks, tables, chairs and stools shall be free of substantial defects in original material and workmanship from the date of delivery. This warranty is subject to the limitations and exclusions indicated below.

Additionally, WB Manufacturing warrants that all laminate furniture products are to be compliant with Custom Grade or better, as defined in AWI Standards, Eighth Edition, Revision 2, unless contract documents indicate otherwise.

#### **12 Year Warranty**

WB Manufacturing warrants that its laminate tops, butcher block tops, phenolic tops, epoxy tops, stainless steel tops, high wear and moveable parts (ie: casters, glides, etc.) shall be free of substantial defects in original material and workmanship for twelve (12) years from the date of delivery.

#### **5 Year Warranty**

WB Manufacturing warrants that all pneumatic bases and bases with flip mechanisms are free of substantial defects in original materials and workmanship for five (5) years from the date of delivery. Fomcore products are also warranted to be free of defects in material and workmanship under normal use of the product for five (5) years. Product must be properly cared for, maintained and in use by its original owner. Damage in transit or by negligence, abuse, abnormal usage, misuse, accidents or alterations nullifies the warranty.

#### **1 Year Warranty**

WB Manufacturing warrants that all electrical components, dry erase markerboard surfaces and HangOut Stools are free of substantial defects in original materials and workmanship for one (1) year from the date of delivery.

## WB Manufacturing Warranty Exclusions and Limitations

### Exclusions

**This warranty does not apply and no other warranty applies to the following:**

- Defects caused by abuse, modification or alteration of the product.
- Any damage caused in transit by the carrier. WB Manufacturing will handle this with separate terms.
- Ordinary wear and tear (including but not limited to, scratching of laminate, phenolic, epoxy and butcher block tops, and ghosting on dry-erase markerboard) involving primary furniture surfaces, which are to be expected over the course of ownership.
- Products installed, used or maintained without following product specifications, assembly instructions or WB Manufacturing recommendations and warnings.
- Any intentional modifications or attachments to the product that were not designed or approved by WB Manufacturing.
- Product exposure to water, high or low humidity.

### Warranty Limitations

This warranty is provided only to the initial purchaser, is non-transferable and is valid strictly for as long as the product is owned by the original customer. To be protected under this warranty, all products must be stored in areas of controlled temperature and humidity, and periodic regular scheduled maintenance must be performed. Cleaning of the high pressure laminate should be done by warm water and a non-abrasive cleaner. Abrasive materials should not be used for cleaning.

This warranty does not cover improper assembly/installation, failure as a result of inadequate inspection and maintenance, accident, vandalism or freight damage. Any incidental or consequential damages, including but not limited to business losses, personal property damage, and third party liabilities are hereby expressly excluded.

WB Manufacturing shall repair or replace, at its discretion, any portion of the product which proves to be defective under the terms of this warranty. Freight and installation costs are not included. WB Manufacturing may elect to substitute a reasonably comparable product, or a cash refund of the original purchase price (less reasonable depreciation) in the event the original warranted product is no longer manufactured at the time the warranty is exercised.

WB Manufacturing products are not recommended or warranted for outdoor use. Some natural color variations occurring in plastics, laminates, paints or other natural materials are inherent to their character and cannot be avoided. WB Manufacturing does not consider these as defects. In addition, color-fastness or matching of colors, grains or textures of such materials are not warranted. Materials used at the request of a user or provided by customer is not warranted.

There are no implied warranties of fitness or merchantability, and there are no other express warranties beyond the warranties expressed here.

Thank you!
