656 tons.

## EASY SANITIZING AND CLEANING TIPS

### SPOT CLEANING:

Vacuum soiled area.

Blot affected area with dry cloth to absorb as much of the spill as possible.

Spray affected area with water and blot until stain releases. For stubborn stains use mild detergent and water for removal.

Always allow carpet to dry thoroughly before use.

### SANITIZING AS NEEDED:

Mist your rug with up to 70% Isopropyl Alcohol Spray (ISP) following CDC recommendations for cleaning soft surfaces in the classroom.

### OTHER SANITIZING OPTIONS:

Contact your maintenance department for sanitizing Carpets for Kids® rugs with just hot water extraction at 140°-150° setting at the clearing nozzle head.

Ask your maintenance department about additional sanitizing methods or cleaners approved for carpeting per CDC guidelines specifically for your facility.

Always allow carpet to dry thoroughly before use.
